  - The General Secretary
  - The Treasurer
  - Chair for international development

  - Chair for Education
  - Chair for communications

RULE 4 – Membership

Individuals, groups, associations, societies or organisations who are members of the World IUSTI, and who work, reside or are based within Europe, will automatically be members of IUSTI Europe.

RULE 5 – The Council

The Council of IUSTI Europe consists of: –

- The nine Officers.
- One national representative from each country within Europe as defined by the World Health Organisation (53 countries at the time of writing).
- Co-opted members.
- Senior Councillors.
- Members of the Management Board (see Rule 7).

Election and Removal of Officers
• Officers must be current members of the IUSTI.

• The Regional Director is appointed by the World IUSTI.

• The Editor-in-chief of the European STI Guidelines Project is elected by the guidelines group.

• The other Officers will be elected by the Council, conducted by the senior councillors either through an electronic ballot or a secret ballot at a meeting of the council, or by a show of hands at a meeting of the Council. A simple majority amongst those casting a vote will result in the candidate being elected. In the event of a tie, the Chair will have the deciding vote (or the Regional Director in the case that a new Chair is being elected).

• Suitable candidates for elections will be established by a nominations committee to consist of three persons: from the senior councillors and the Regional Director. The nominations committee will seek nominations of suitable individuals, and will narrow the choice down to not more than two candidates; the final choice to be decided by an election, as detailed above.

• The term of office for the Officers, other than the Regional Director, shall be three years. After completion of a term they shall be eligible for re-election provided they have not already served three continuous terms in the same position.

• With the exception of the Regional Director who is appointed by the World IUSTI, Officers will be removed from their positions if:
  
  o They choose to resign.
  o They cease to be members of the IUSTI.
  o They fail to attend three consecutive Council meetings.
  o Their term of office expires and they are not re-elected.
  o If they are deemed by the Council to have significantly under-performed in those duties which might reasonably be expected of them, or if they have behaved in a way which might bring IUSTI Europe into disrepute. The decision to hold a vote on this will be triggered if three Officers, or six Council members, make the request in writing to the Chair (or to the Regional Director if the position of the Chair is being called into question). The decision to remove an Officer requires a two-thirds majority among Council members who cast a vote. The Officer concerned is not entitled to a vote.

Election and Removal of National Representatives

• National representatives must be current members of the IUSTI.

• National representatives may be proposed by the national specialist societies in the countries concerned, or by existing Council members. Suitability for appointment will be decided by the Chair and Regional Director. If the Chair and Regional Director believe that there is more than one suitable candidate, or if they cannot agree, then the decision will be made by a vote of the full Council, either electronically or at a Council meeting (as outlined above).

• The term of office for Council members shall be three years. After completion of a term they shall be eligible for re-election provided they have not already served three consecutive terms except at discretion of council in exceptional circumstances.
• National representatives will be removed from their positions if: –
  o They choose to resign.
  o They cease to be members of the IUSTI.
  o They fail to attend three consecutive Council meetings.
  o If they are deemed by the Council to have significantly under-performed in those duties which might reasonably be expected of them (including, but not confined to, for reasons of ill-health), or if they have behaved in a way which might bring IUSTI Europe into disrepute. The decision to hold a vote on this will be triggered if three Officers, or six Council members, make the request in writing to the Chair. The decision to remove a national representative requires a two-thirds majority among Council members who cast a vote. The national representative concerned is not entitled to a vote.

Co-opted members

• The Officers may co-opt additional members on to the Council to provide additional sources of advice and expertise e.g. representatives from WHO-Europe or the European Centres for Disease Prevention and Control (ECDC), or individuals judged to be of particular distinction or eminence.

• Co-opted members may be removed from the Council at any time by decision of the Officers.

• Senior Councillors shall serve for a period of three years, renewable by decision of the Council.

• Senior Councillors shall not be eligible to vote on any matters of business conducted by the Council.

• Senior Councillors may be removed from the Council at any time by decision of the Council.

Council meetings

• Sessions will be run by the Chair. In the absence of the Chair, sessions will be run by another Officer designated by the Chair, or, in the absence of any Officer, by another Board member designated by the Chair.

• A written agenda of the business to be conducted at each Council meeting will be drawn up by the General Secretary in consultation with the other Officers. All Council members will be invited by the General Secretary to submit items for the agenda. The agenda and supporting papers will be circulated by the General Secretary to Council members at least two weeks in advance of the meeting.
